

2023/2024 SPONSORSHIP PACKAGES

To

My name is Nathan McStay and I am the Vice-President of the Ellenbrook Vipers Rugby Union Club. We are situated in the heart of Ellenbrook at Woodlake Sports Oval and are a proud part of Ellenbrook, Avey and The Vines Communities. Our club was established in 2015, however only achieved incorporation into the local competition in 2020 branching out on our own.

As a relatively new club, we are always seeking to build our numbers and make improvements to our club. Currently we possess only a toilet block, small shed, sea container and we are seeking local business to assist us in our growth. We are committed to ensuring a family friendly supportive atmosphere where we work together to see children and teenagers taking part in playing a team sport with the help from our seniors. This will ensure they can build confidence, manners, patience and social skills, as well as staying fit and healthy which will develop the skills to follow our motto: **Respect | Resilience | Results**. Sponsorship will help towards reducing cost of membership for families in financial need, suitable facilities for players and guests, new players kits and much more.

There are many expenses connected with running our club and we rely on volunteers and funding from fundraising, Government grants and support from our local businesses. We would like for your business to consider sponsoring our club by choosing one of the sponsorship packages below. If you are interested in any of these packages, we would love to hear from you at your earliest convenience.

If any of these packages are not suited to your business but you would like to make a product donation towards a raffle prize or products that our teams can utilise during the season such as sporting equipment, medical equipment or food for the canteen that would also be greatly appreciated. We would love you to be part of our Vipers family.

Thank you for your time.

Nathan McStay
