Prospective Vipers Member,

PARTNERSHIP OPPORTUNITY

Are you passionate about giving our communities children **Inspiration, Health and Opportunity?**
Great, **so are we!**

My name is Coach John O'Reilly; Chairperson of the Ellenbrook Vipers Rugby Union Club.

The Vipers are proud members of this Suburb and wish to offer you an opportunity to be a part of what we hold dear in our hearts.

Our humble club began in 2015 as affiliates of Perth Bayswater, a 115-year-old Rugby Club. With handshakes and well wishes, in 2020 we branched out on our own.

We are a club committed to ensuring a family-friendly supportive atmosphere, where we work together to see our youth prosper through junior sports.

Our commitment is towards building confidence, manners, patience, and social skills in conjunction with staying fit and healthy. Our Motto: **Respect | Resilience | Results.**

Our KEY objectives are to build our numbers, make improvements to our facilities and equipment, inspire our juniors through the love of team sports while keeping our youth engaged, and mentally strong. We are seeking businesses to assist us in our growth and development.

Your aligned partnership will help towards:

- Families in Financial Need
- Adequate Sports Equipment
- Suitable Facilities for Players
- Support in Travel
- Council Rates
- Grounds Insurance
- New Players Kits
- And so, so much more.

Presently we rely heavily on volunteers, fundraising, and government grants, and we would like your business to consider supporting our club through sponsored partnership.

Should you be interested in any of the attached package offers, we would love to hear from you, alternatively, donations towards the club or our raffles would also be greatly appreciated.

On behalf of the Vipers family, we thank you for your time.

Coach John O'Reilly

Ellenbrook Vipers Chairperson
Woodlake Oval, Bronzewing Avenue
Ellenbrook, WA 6069
